KEY FEATURES

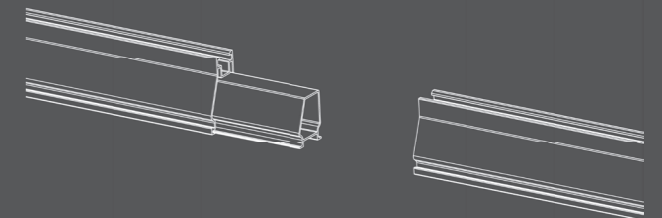

1. Constructed from high quality, structural grade alloys, ensuring corrosion resistant for durability and longevity.

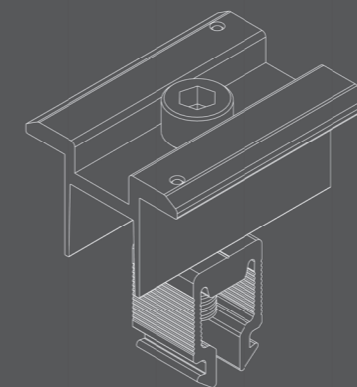

2. Available in a fixed or adjustable hook to fit a wide variety of tiles.

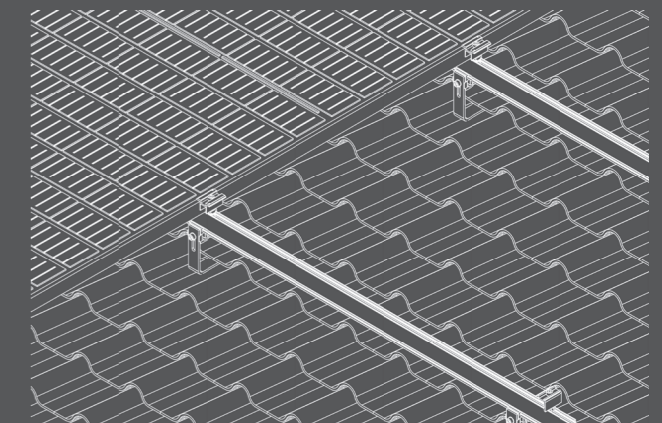

2. Unique clamp system for an effortless rail attachment.

4. The internal rail joiner ensures earth continuity between rails without obstructing component attachment. It seamlessly slides inside the Nova rail, allowing for a smooth and uninterrupted join.

5. The NOVA panel clamps incorporate a user-friendly Clip-in design and integrated earthing pins, eliminating the requirement for an additional grounding plate.

6. NOVA Panel Clamps offer a universal fit, accommodating panel thickness ranging from 30mm to 40mm.
